

California State Assembly
FRAN PAVLEY
 ASSEMBLYMEMBER, 41ST DISTRICT

Dear Friend,

In the months since 9/11, Americans from all walks of life have come together and made sacrifices to combat terrorism. In California, increased security measures as a result of the attacks are straining the budgets of law enforcement agencies throughout the state.

Many residents have expressed a desire to assist in these anti-terrorism efforts, and wish to commemorate and honor 9/11 victims and their families.

Assembly Bill 1759 allows folks to do both. AB 1759 establishes a California Memorial License Plate to raise scholarship funds for dependents of 9/11 victims and support anti-terrorism efforts.

Proceeds from the commemorative plate will be used to fund both the Anti-Terrorism Fund to support law enforcement and fire agencies and the Memorial Scholarship Fund to provide scholarships to each dependent of a California victim of 9/11.

For more information about obtaining a commemorative license plate, please contact my office or go to the "Helpful Information" page on my Web Site.
